

GREATER KITCHENER WATERLOO  
Chamber of Commerce

The Voice of Business - Helping Business Succeed - Helping Our Community to Succeed

## Join one of Canada's Most Dynamic Chambers

### PRESIDENT AND CEO

In this highly visible and influential role you will provide leadership in promoting one of Canada's most forward thinking, creative and collaborative business communities. As the voice for business in the Greater Kitchener Waterloo area, the Chamber requires a collaborative relationship builder to drive the business health in this dynamic community.

Your passion and energy for leading a growing organization is compelling and your track record of performance demonstrates your talent for executing strategic plans. Your ability to garner respect and credibility with external stakeholders and to build a committed team of professionals speaks to your superb influencing, negotiating and teambuilding skills. You will have a demonstrated record of working with Boards and have led organizations that are recognized for their ability to attract and retain exceptional talent. You are visionary yet operational and can balance external growth with the internal health of any organization that you lead.

If you enjoy being part of a growing organization and are seeking a positive, proactive, prosperous environment where you can make a substantial contribution, please reply in confidence with a current resume quoting Project Number J5-ES00555 to [executivesearch@knightsbridge.ca](mailto:executivesearch@knightsbridge.ca).

We appreciate your interest and will contact you if a meeting is required.
